6. If a student passes the credit recovery course with a 60 or higher, the passing grade is entered as a “P” as the final grade and transcribed to the numerical grade value of “0”. If the student fails a credit recovery course, the grade is entered as a “NP” and transcribed as a “0”.

A student wishing to modify his or her GPA shall repeat the full course for credit and not seek a credit recovery solution.

7. Students may establish athletic eligibility, per the SC High School Athletic League, if they meet all requirements for taking a Summer Credit Recovery course and complete the course with a passing grade.
